

Seven Steps to a Better-Performing Building

(and don't worry—we walk you through each one)

1

SEND us your Pre-qualification Submission Form

2

PARTICIPATE in a brief project kickoff discussion

3

Ask your contractor to **SUBMIT** the project analysis for a quality assurance review

4

APPROVE the project

5

OBTAIN mortgage holder consent with C-PACE program assistance, where applicable.

6

SELECT a prequalified capital provider

7

SIGN the finance agreement

UPGRADE your building—and improve your net operating income!
